For all inquiries, please email douglas@blockchainresearchinstitute.org

We're always looking for new organizations to collaborate with, through a number of initiatives.

Navigate, accelerate, and lead the blockchain revolution.

Welcome to Digital Assets Insights, a weekly collection of news, analysis, and commentary. Some of this content also appears in our digital asset newsletter, Digital Asset Revolution. You might also find our latest book "Token Taxonomy: The Need for Open-Source Standards Around Digital Assets" useful. You can see other episodes on YouTube.

Digital Regulator in the North: Coinbase Hails Canada’s Engagement-Based Approach

Explores cryptocurrency engagement and Canada’s relationship to regulatory frameworks. Coinbase’s leadership talks about the importance of engagement in Canada and the potential for regulatory frameworks to be more inclusive and approachable.

From direct to the Meta: Bitcoin-Powered Payments App Jaxx Expands Its Offerings to 60 Countries

BRI Global Partnership Program

BRI Member Program

For more on this, and the broader topic of the evolution of the blockchain space, read "The Future of Money" by Douglas Harris, a senior researcher at the Blockchain Research Institute.

The circular economy and re-fi (re-financing) with Tian Zhao

Web 3 and real estate with Sanjay Raghavan
